Lucille Cecilia Minnis

Please leave words of love and support for the family.

Messages of Condolence

Aunt Lucille was a vibrant incredible woman. I loved the few visits and Uncle Alex made to the Grube farm.

Besides her incredible beauty, she was kind funny and loving, and my condolences go out to the whole family who I would love to meet at the Zarowny reunion this coming summer 2024.
So sorry to not have made it to visit her in past few years. Sincerest sympathy from your cousin , Arlene

Arlene would really love any obituaries or fabulous stories of her life
