Messages of Condolence

It is with great sadness combined with loving memories that I write for you today,
To let you know our love for you in each and every way,
It seems like yesterday we were young, embracing life and having fun,
Now we have to say goodbye, as your earth work is fully done,
Those times we shared both good and bad, are packed inside my heart,
It doesn't matter where we are, those memories will never part,
As my memory goes back in time, I see this little girl,
With a heart so big and full of love, a smile warm and real,
As you move on to our next place, we want for you to know,
How very much you meant to us, it is hard to let you go,
Until we meet again, our lifelong friend, we wish you peace within your soul.

Hello Darlin'.

The first song that we shared together 39 years ago.

We shared so many things together over the years.

We were the Best of Buds.

Can not believe you are gone.

Be in Peace. Miss you always.
