Sending Lloyd and the rest of the family my deepest sympathies. Bunny was such a staple in our community. From the rink to the school she was there and always working hard to keep everything going. I did a work experience with Bunny at the school when I was in high school and I gained not only a friend but a huge amount of respect and admiration for her and everything she did.

— **Candace Nelson-Richels**

Our sympathies to the whole family. Bunny was such a special lady. She worked hard but always had a smile on her face.

— **Tom and Debbie Collins**

Our Deepest Sympathy to Lloyd and all of the family. We were very fortunate to have the opportunity to get to know Lloyd and Bunny in Naicam. Bunny was outgoing, hardworking with a wonderful sense of humor. We so enjoyed visiting with her. May your wonderful memories of your Wife, Mother and Grandmother for ever keep her close.

— **Murray & Donna Spott**

Bunny had an infectious laugh and smile. The last time I saw her with Wendy she totally made my day. Because that's what she did. Long time family relative and friends to my parents and our family. Rest in peace. Love from our family ☐

— **Pamela Kuffner**

Our condolences to Lloyd and families. Bunny was a wonderful person and friend.  
She will be missed

— **Joe and Tracey Kuffner**

Our condolences to the Mitchell family.

— **Dale & Jackie Lessmeister**

My condolences to the Mitchell family! I remember staying at Bunny and Lloyd's home when grandma Sandor passed away. Lovely women. She was funny and so nice to talk with. So lucky to have known her! My prayers sent out to the family!

— **Lisa**

My deepest sympathy Lloyd and your family.

Bunny was truly an amazing woman. I remember her cheering us on as kids playing football in their back alley. Each one of us were treated equally and always went home remembering her radiant smile. Bunny worked extremely hard for our community, an ethic she passed down to all of her kids.

Bunny it's your turn to rest now so rest in peace.

We will all miss you.

Blessings

— **Kathy (Chorney)Reid**
