Messages of Condolence

I had the privilege of knowing this great man since I was 6 years old. We started out in grade one together. Lyle was one of the most caring men I've ever known. His sense of humour was incredible, and you could never forget his laugh. Lyle was the guy you always wanted on your side for anything! From sports to an argument. Lol. I remember we used to call him "squeaky " in his early teen years. Lol. I didn't get to spend much time with him over the past years, but he was always happy to see me when we did have a chance to visit. We could pick right up where we left off.
I'll miss ya till I see ya again my friend. Lots of good people waiting for you up there with open arms big guy.
God bless ya Lyle!

Many memories. My condolences.

Sad to learn of Lyle's passing. Have not lived in Black Diamond for many years but have fond memories of Lynne and Johnny. My daughter and Stacy were the same age and in Brownies at the same time. I knew the family and I send sincere sympathy to his sisters on his loss at such a young age.

So sorry to hear of Lyle's passing. He was a kind hearted man. I remember fondly all the fun we kids had over the many hours, and days I spent at "The Mitchells". I ran into Lyle a few times since I left the Diamond, and always had a nice visit with him. Love and prayers to his family.
