Nicole is an amazing lady! I had the pleasure of getting to know her in the past 3 or so years. She always had that easy going, down to earth kind of charm. I will miss all times we were able to trade sarcastic remarks with each other and her simple advice about life.

My prayers are with Nicole's Family and all hers Friends, during this difficult time.

I am saddened by this news as I just found yesterday and would have loved to be part of her farewell celebration. Nicole was an amazing and strong woman. Her passion to help us girls and keep us accountable stays with me today. She was also very fun and adventurous. I will keep my found memories of you Nicole close. RIP.

My mother was an amazing person. She was an amazing mother. Not a day will go by that i will remember her. I can only hope I'll be half the parent she was. Miss you so much mom. i love you so much.

Jason, my heart goes out to you and your family on your mom's passing. I only wish I could have met the two of you some years ago. All I have in a picture of you and your mom. Please look me up as I would love to hear from you. So sorry it has taken me this long but I only heard today. Take care and be strong.
