## Messages of Condolence

Murray and family, Leesa and I send our heart felt condolences to you and all of your family. I am sure your Dad will be missed dearly by all.

I have known you and your family since we were in grade 2 and have fond memories of your Dad. He was also a strong figure type with a soft side as well. I remember spending one very nice summer at Mara Lake with you and your Mom and Dad many years ago not to mention the many days throughout our school years at your Mom and Dad's place, playing pool and table tennis in the basement.

Take care Murray. Our thoughts are with you in this difficult time.

Terry & Leesa Reid
