

Keith Allan Moore

AUGUST 12, 2017

It is with deep sadness that we announce the sudden passing of Keith, age 73 years, on Saturday, August 12, 2017. He was predeceased by his father, sister, step-father, mother-in-law and father-in-law. Leaving to cherish his memory are his loving wife of 51 years, Shari; his son Dean (Penny); daughter Leah (Kiley); granddaughter Hailey; mother Doris; sisters Janice (Doug), Brenda (Daryl); as well as nieces, nephews, extended family, and many friends. Born and raised in Regina, Keith attended Kitchener School and Scott Collegiate. From an early age Keith exhibited a love for all things mechanical, displaying an extraordinary ability to repair, build, and restore anything imaginable. The pinnacle of those gifts being the restoration of his award winning 64 ½ and 68 Mustangs. Known not only for great attention to detail, but for paying great attention to anyone he met. His time was always yours. After building and running a successful courier business, Keith enjoyed a happy retirement with Shari, family, and many friends. Life's Work Well Done. Please join us on Saturday September 9, 2017 at 11:00 am for a Celebration of Life in St. Mary's Hall, 2026 Winnipeg St., Regina, SK. A Celebration of his Life's work will follow at his daughter Leah and son-in-law Kiley's farm. Lunch will be served and memories will be shared. Directions to the farm: Take Highway 1 East, merge right off the highway onto a grid road just before the Balgonie overpass. Signs will be in place. He will be laid to rest in a private family interment in Riverside Memorial Park Cemetery. The family would like to thank the EMS staff and Dr. Blignaut for their unparalleled care and compassion during Keith's final hours and days. While flowers are gratefully declined, friends so desiring may make a

donation in Keith's memory to the Heart and Stroke Foundation of Canada.

Oh Leah....I am so sorry to have heard this. I remember your Dad with great fondness when we were kids. I spent alot of time at your house and with your Mom & Dad. I loved his laugh....he never said much but if you got him with a joke, that awesome laugh came tumbling out, followed by a great smile. My best memories are of him in his garage, tinkering away on his Rabbit and when I worked at Bi-Rite, he'd come flying in to the pharmacy wanting his pickups to deliver...and boy he wanted them ready haha!

Thinking of you, your Mom & Dean and family. Big big hugs.

Love Kerri

I thought this message might be of interest to one of Keiths loved ones even with it being a long time after his passing. I recently purchased a 1968 Cougar XR7. It came with the original manual with the buyers info showing that it was purchaed from Percival Mercury Sales by a Keith Moore of 7 Patton Place in Regina, Sask. I Googled the name and was led to this obituary which sure sounded like a good possibility for the purchaser of this car. At the time the car colour was Grecian gold with a black vinyl roof. Just thought someone would like to know that the car is still on the road, in good shape and living in Vernon B.C. If I have made a mistake reaching out here please accept my apologies.
