Messages of Condolence

We will miss you Willie.

My condolences. Kathy was such a warm and beautiful lady. She was one of the friendliest lady I met when I joined a lady's golf Club. Love R.I.P

Was so sorry to run across this obit. Cindy (that’s what we knew her as) lived with me and two other nurses in a wee house in Regina after training. We had a wonderful year together. I got married then and they all moved to Vancouver to work. Lost touch with her after that. She was one of my bridesmaids at my wedding. She seems to have lived a full and interesting life. Thought of her often and wondered where she was. My condolences to her family.
