Messages of Condolence

Our condolences to you Claire, and all of your family. I (Irma) have known him for 15 and some years as my accountant, but he was also a friend and I will miss his friendship as well as his professional skills. We had some good laughs over the years and he made sure I didn't get away with anything!!

I spoke with him just over a week ago when he was in the hospital, and said we would come to the hospital to see him and he was anxious for us to come. I am sad we didn't go right away!

We never have our Loved Ones long enough, but you will all be strong as he would want you to be.

Warm regards, Irma & Kenny
