

Sean Patrick Morrall

SEPTEMBER 30, 2016

MORRALL, Sean Patrick

March 13, 1973-September 28, 2016

It is with great sadness that we announce the passing of Sean Patrick Morrall on Wednesday September 28, 2016 at the age of 43. Sean was born on March 13, 1973 in Calgary and passed away suddenly due to heart complications. He was a graduate of SAIT in telecommunications and electronics and worked as an IT specialist and Microsoft Technician and later qualified as a Journeyman Electrician, a job he really enjoyed, and in fact was assisting an old friend with a wiring job the day before he passed. Sean was a passionate skateboarder when he was young and then later a snowboarder who loved the black diamond runs (sometimes out of bounds) at most ski areas in Alberta and BC as well as CAT snowboarding at mountain resorts like Mustang Powder. Christmas vacations with his family in Maui were a special time for Sean. He worked out at the gym on a regular basis and was an avid sports fan following the CFL (Calgary Stampeders); MLB (Toronto Blue Jays); the NHL (Calgary Flames) and the NBA (Toronto Raptors). Sean is survived by his mother, Patricia Morrall (Ken Peterson); father John Morrall (Lorraine); sister Melinda Morrall (Duncan White) all of Calgary and sister Amanda Morrall and good friend Andrew Cowie both of Auckland, New Zealand. He will be missed by his nephew Ethan White and niece Emily White of Calgary and nephews Connor and Liam Cowie of Auckland, New Zealand. He had made a number of ski trips during holidays with his aunt Dr. Susan Morrall and husband Terry Ryan and cousins

Christopher and James Ryan of London, England and Mount Shannon, Ireland. Also missing Sean are Cory McMaster of Calgary and Christie McMaster of Kelowna. A private family service is planned for a later date. In living memory of Sean Morrall a tree will be planted at Fish Creek Provincial Park.

My name is Chad

A old highschool freind of Sean's

I have not seen Sean for many of years now. But often did hear what he was doing in his life.

I was a avid snoboarder as well.

Sean always brought a smile instantly to my face everytime i saw him- even if it was 30 times a day in the highschool hallways.

He was a great man- and will be sadly missed.

I send my condolences to your family.

God Bless Sean

Dear John,

It is indeed very shocking to hear that you lost your son at this very stage of your life. May his soul rest in perfect peace; and may the Almighty God grant you and your family the fortitude and strength to bear the irreparable loss. In Jesus' name. Amen! I am sure you have more questions on this sad event than we mortals can respond to. So, please yield the situation to God, who knows all things. He is our Maker. Your son has returned to his Creator and all of us will return to Him at the set time.

God bless.

Your grad-student at U of C(1984)
