David Morrell

AUGUST 29, 2022

David Morrell, after bravely facing cancer for three years, passed away on Monday, August 29, 2022 with his loving family by his side. Dave is survived by his wife of 54 years Valerie (Pitzel), his sons Derek and Ryan (Dohee) and grandson Carter. He left behind an adoring clan of Pitzels and too many friends to count.

Dave came from very difficult circumstances. He was born in Moose Jaw, Saskatchewan on February 8, 1942. His mother Mae Rowe passed away when he was 4 months old, his father abandoned him as a toddler and at five years of age he was taken in by social services. Too old and too rowdy to ever be adopted he was shuffled from foster home to foster home, passing through 11 placements across rural Saskatchewan. His best years in social services were with “Gram” Ellison and the lifelong friends he made in Beatty, SK.

With a foundation like that you wouldn’t expect the much beloved father, husband, friend and treasured uncle that he became. Dave was gifted with boundless energy and a gregarious nature. Everywhere he went he had a friend. Not one to knock on a door, he would barge on in with a booming hello. Friendly conversation and lots of laughter always followed. He was at home in any crowd, always befriending someone regardless of class, creed or culture. From his incredibly difficult childhood grew a deep empathy for the underdog with no tolerance for bullies.

Dave was a very passionate guy. He worked hard, golfed hard and played bridge to win. A die-hard Rider fan, Elvis fan, and absolute hockey fanatic. Also curling, don’t forget curling. He had an incredibly sharp memory, but some stories were

told with a little extra flair. He had simple tastes, meat, potatoes and a side of ketchup, lots of ketchup. An eternal optimist, he lived a happy life with gusto.

We will always remember and cherish this diamond in the rough.

A Celebration of Life will be held on Saturday, November 26, 2022 at 1:30 p.m. in the Seven Oaks Hotel (Banyan A-B Room), 777 Albert Street, Regina, Saskatchewan.

In lieu of flowers go drive a golf ball.

I will miss the brother-in-law who indeed lived life with gusto, was friendly to all and loved life regardless of the difficulties he came through. My sympathies to Ryan and Derek, his two sons, and to Carter who lost his grandpa, and to Dohee who has lost her father-in-law.

I will always value watching curling in the basement of your house on Cormorant, Regina; his heartfelt reaction when he heard that brother Bob had died; and Dave taking my daughter to the football game in the old stadium. Valerie & family, sorry to hear of your loss, Dave worked with me at Hausers in Regina & he really was one of a kind , it was a pleasure for me & I hope it was for Dave as well. I have to say that I enjoyed meeting David. I got to know him while doing treatments for him in Moose Jaw. He shared his early life story with me and I must say he was a man to be admired. We shared a love of hockey and had many discussion about the Warriors. He was so proud of his family and spoke of you all with a smile on his face. A wonderful man who will be missed. My deepest condolences to you all.

From my perspective, as a young kid sitting next to Uncle Dave at the dinner table. You could just feel the "good times" energy oozing out of him. Ready to blast you with some warm-hearted fun. And man, that guy loved his ketchup! Muchlove to the family.
