Messages of Condolence

Sincere comdolences to Bev and his family on the passing of Glen. Glen and I became friends at Prudhomme Trucks. He was a great co-worker and later a great boss at STA. He will be sorrily missed. He was a great friend and confidant. He passed on a lot of great knowledge and information on our work which I will always take with me. Goodbye Old Friend. Rest in Peace.

Glen was literally a lifesaver, I am often very thankfull that he took the lead when only a cool head and his experience saved us in 1968.
I regret he may have never known how important he was to us and how gratefully we are have had him as a friend and protector. My deepest sympathies to his family and many friends. He is someone I will never forget.
Peace to all at this sad time.
