Messages of Condolence

My name is Christine Hadfield. I am so sorry for your loss. I work with Helping Hands and had the pleasure of meeting Bill just one year ago.
Bill and I spent many car rides enjoying a chocolate milkshake and checking on fields in the area. I grew up in the country back in Manitoba so have a small grasp on farming.
Bill was always kind to me and gave me plenty of smiles and chuckles. We even enjoyed a short dance once! :)I always looked forward to visiting him.
I too will miss him!

— Christine Hadfield
