Messages of Condolence

For Mike and Melody and all of Kevins family.
I am so very sorry to hear of Kevins sudden passing. My thoughts are with you during this very sad time. I had not seen Kevin for awhile and would wonder about him often. He was always a pleasure to see in the Cochrane Laboratory and for years brought a smile to my face and sometimes a huge chuckle when he graced our laboratory with his presence. I will never forget the many times he announced that he was going to get married to "Belinda Carlyle",(God Bless Him). I know this made you smile too Mike! I also know how much fun he had at Glennifer Lake during the summer. Kevin was lucky to have so many special people in his life and will be deeply missed. I for one will always remember Kevin with a smile.....even though he hated my needle pokes!
God Bless,
Hollie Erickson
