Messages of Condolence

My heart felt Condolences to Shiro's Family for your loss, I am in shock reading his name in the Obituaries.

I knew Shiro from being his Realtor and helping him buy his home in Airdrie and selling his Condo as recently as a few months ago. He was so happy that his condo sold and really enjoyed his home. I am so sad that he is gone....way too soon!!

Please let me know if there is anything I can do and feel free to contact me any time.

Sincerely,

Lise

I am honored to have been your coworker at WestJet and i just wish we could have had that sake and sushi in vancouver as we had planned the last time i met you in the crew hotel in Montreal. Full speed towards the light brother. I will be in Tokyo in a few weeks time and will make sure to raise a glass in your memory.

I hope you are at peace now brother , take care.....

I have never met Shiro, I only knew of him through word of mouth. Everything I heard about him describes him as a professional and genuinely enjoyable person. I wish I could have had the opportunity to fly with him. I wish his family all the best in this time of sorrow.
