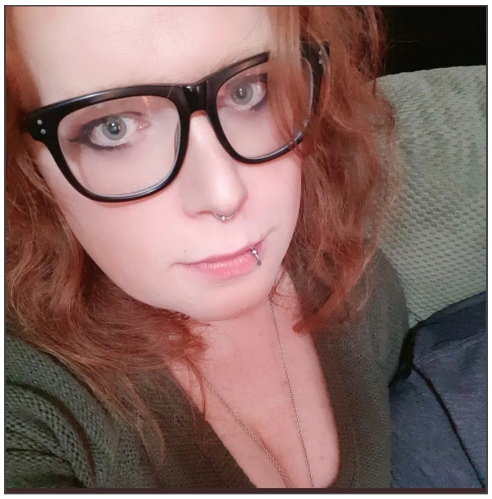
Natalie Graves



MARCH 16, 2025

It's with a heavy heart that I have to write an obituary for Natalie. On March 16th she was taken from us after a short but intense battle with cancer. She was a daughter, a wife, a partner, and a friend to so many people. She was able to overcome so much in her life, from within and without. But at every turn she learned, grew, and loved.

Natalie was so many things. Above all she was a hopeful and joyful person. No matter how hard things got she approached life with cautious optimism to use her own words. She was an amazing wife and partner, a performer, and a creative. She always wanted to make others smile. Whether it was you and her laughing and joking, or she was up on a stage singing or wrestling.

We'll be holding a small memorial at the Regina Floral Conservatory (1450B 4th Ave, Regina, SK) on April 12th at 10:30 AM - 1:00 PM. Friends and family are welcome to stop by and join us in remembering Natalie and spend some time with those that were close to her.
