

Valery Neilson

APRIL 16, 2015

NEILSON, Valery Heggie

April 5, 1948 - April 16, 2015

Valery's Baking is officially closed! On April 16th, 2015, Valery's work on this earth was finished and she was reunited with family and friends she hasn't seen in a long time. Her new work takes her to a wonderful place where

she'll be walking, baking, gardening, and listening to Christmas carols to her heart's content. The food is delicious and she will never gain an ounce! She left instructions for her loving husband of 45 years, Gordon Neilson of Delburne; and their 5 children, Stacey (Neil) Nelson, Tanya (Bob) Judd, Eryn (Kevin) Murray, Scott (Janelle) Neilson, and Caryn (Brett) Hill, to celebrate her life here. The work she will miss the most is playing with her 19 grandchildren, who she loved more than anything. She was born and raised in Raymond, AB, and was the sixth of eight girls, to Dean and Georga Heggie. We want our mom to know that she did a great job and prepared us well for life. We will miss her ability to make everyone feel welcome, her sense of humor, and her love for fun. She worked very hard all her life, up until the very end. She made a difference in the lives of many.

Please come and meet the family the night before service at the Church of Latter Day Saints on Tuesday, April 21, 2015 from 7:00 - 8:30 pm. We then invite you to join us and celebrate together at The Church of Jesus Christ of Latter Day Saints, 3002 47th Ave, Red Deer, AB on Wednesday, April 22, 2015 at 1:00 pm.

Interment the following day in Raymond, AB.

Messages of Condolence

My love and sympathy to all of the Neilson and Heggie family. Valery was one of my dear friends in the Raymond 3rd ward. I never did get to taste her 'delicious rolls' but knew that she had a passion for baking. May you all be blessed with the peace and comfort that we are promised. Much love, Nola

My heart goes out to Gordon and his family. It is a very difficult thing to lose your partner and mother for the rest of this lifetime but we have the comfort that comes from knowing Valerie is in a better place and has had a joyful reunion with many loved ones that will last for eternity. Further comfort comes from the knowledge that you all will be able to join her again and be with her for eternity. What a beautiful obituary. She must have been a wonderful woman. My thoughts and prayers are with you all.

To the Neilson family,

Our condolences on the loss of your lovely mom and companion. We loved your mother very much as she was a very special lady. She was kind, loving, talented and gave her all for her family and church and friends. We went through a lot of memorable times when your family first moved to Delburne and unfortunately lost track of each other towards the end, never thinking the end would come so fast. Valerie and Gord you will always be in our hearts.

— **Ray and Sheila Reckseidler and family**

My heart is broken to have lost such an incredible woman. Valery remains one of the kindest and most thoughtful people I have ever known. There are no words to express the love I have for such a wonderful person. I will miss her forever but am so thankful to have had her in my life.

— **Lisa Clark**

Dear Gordon, Stacey, Tanya, Eryn, Scott, Caryn and families: I am so very sad for your loss, yet I can envision Valery laughing, baking, and visiting with everyone (including my dad) in a place where there is no pain or suffering, only happiness! I'm so very sorry that I can't be there to help celebrate the life of a very special lady that has always, and will always, hold a very special place in my heart. My thoughts are with you all. Much love, Tracy (MacDonell)

Our condolences to Gordon and family with the passing away of a wonderful mother, wife and grandmother.

It's been an honor and privilege to have been part of your life as you shared your boy "Joey" with us. The beautiful wooden Christmas popcorn ball box comes out every Christmas. We were sorry to hear of Valery's passing. We really enjoyed the times we spent together with the whole family and me with Valery as we raised kids, tried to get our piano lessons right for Lynette and generally shared life's ups and downs. She was such a comfortable person to be around. She will live on in all our memories and in my beat up old recipe shoe box that contains Valery's popcorn, Valery's pizza and more. You have our heartfelt sympathy.

Love to you all.

— Darlene and Brian Waldie

So sorry to hear this news, it has been many years since I have seen any of the Neilson family but my memories of all our fun in the Stettler branch are still very fond. We had such great times there and I had so much fun teaching those little Neilson kids in Primary. I hope that your hearts will be peace filled and that you will always feel her love and presence in your lives. Condolences to you all.
