## Messages of Condolence

I was saddened to know that Joan had passed away. A truly wonderful mother, wife, although I only knew Joan for 7 years, it always seemed I had known her for years. To Les and children my sincere condolences

A very bittersweet time for all. No more pain to hide the happy memories. I have only known Les and Joan for a very short time and enjoyed Joan's feisty outlook on life.

Take Care Les.....sincerely Lorna

Dear Les and family:

So very sorry to hear of Joan's passing. I recently had a conversation with her about all the prayer shawls she had been knitting for our group at Ladner United Church. In particular, one that she had made that I had taken to a family member after the loss of their 16 yr old son., who so appreciated receiving it.

Her Church family will miss her. My prayers and thoughts are with you all.
