

Juergen Friedrich Neudoerffer

AUGUST 21, 2019

It is with heavy hearts that we announce the passing of Juergen Neudoerffer on August 21, 2019, at the age of 83. He fought a brave battle against cancer for almost 2 years. This did not stop him from living life to the utmost. Survived by his wife Norma of 56 years, his daughter Belinda (Brent Hayes), and his extended family.

Juergen carried an avid passion for plants and flowers, which lead him to graduate from the Niagara School of Horticulture. He spent many years working in the retail sector, advising both beginner and well seasoned gardeners. When at home, you could find him in his garden. Juergen was an enthusiastic photographer from a young boy with a brownie camera, right up to the latest technology.

In lieu of flowers, donations can be made to either The Kidney Foundation of Canada or The Canadian Liver Foundation.

You are invited to leave a personal message of condolence for the family.
