Messages of Condolence

Quite frankly, Frank was a wonderful neighbor to the Tanglewood Community when they lived across the Westcott Rd. In our community get togethers, Susanna and Frank would wander over and join in on the chatter. He helped some of us find water for our acreages in the aquifers. They were such great neighbors. Kind, generous, and a positive contribution to our community. Thank you Frank (and Susanna) for your delightful influence in our lives. You are missed but never far from our thoughts. To the family, our deepest condolences.
