So surprised to learn about Jack's departure!

You are both in the sweet memories I keep of my stay at your house in Montreal, Gwen, a long long time ago.

Jack is now Home, just some time before us. And he now sees the One who loved and loves him so, what a comforting thought! May He Himself comfort you all.

Dear Gwen,

Cathy told me about the sudden passing of Jack. What an incredible shock that must be. I have been praying for you for a very long time and I want to pass on my love and care at this time. May God surround you with His comfort and love that only He can give and may you be guided with His right hand. He knows what you are going through and knows the way through this tragic time. Trust His love and care. He has you like a sparrow in the palms of His hands (Psalm 139) and no matter what circumstance you face, He goes before you. If and when you want to have coffee let me know. (403-846-5890) I understand your phone number has changed, so I will wait for you to call.

blessings and prayers,

Margie (and Earl)
