## Messages of Condolence

Tracey and Family,

I would like to express my great sadness in losing Gerri. I was lucky to have met Gerri through her sister Diane. I have had many great laughs and wonderful times with Gerri. I always looked forward to popping in to see her at the Vic Square where she worked. She would always stop and enjoy a visit while she worked. She will be missed by many. Gerri was a great lady.

Sincere Regards,

Debbie Kelly

To: Tracey, family, friends

We too remember Gerri, with many happy memories shared. We worked with Gerri, at PWD (Costco), for a while, shared the "Spring Fling" two different years, with her along with friends Ned, and Lynn, along with many other fun activities. Sorry we are unable to attend the remembrance at the Austrian club. She will always be remembered lovingly as a great friend. We too, shall miss her, but, she will always be lovingly remembered. May she now find the peace she so richly deserves. Our sincere condolences.

Tracey and family, I was so saddened to hear of your mom's passing. She was a great lady and I loved her pedicures and visits we had during the pedicures. When I was at home with a broken ankle she came to my house to give me a pedicure. Just an example of how kind and thoughtful your mom was. I hope all the good memories you have of her will help you through these difficult days.
