Dear Lynn,

My sincere condolences to you and your family.

Lynn, I appreciated all your hard work when you served on the Board while I was a teacher and administrator with the CBE. I remember that you actually shook my hand on the day of my retirement and I can't remember whether I had the opportunity to say this to you then, probably not.

Behind every great woman is more than likely a very supportive partner. I wish you much support from your family and friends as you go forward experiencing the loss of your husband.

Kind regards,

Donna Waraksa
