Norma Mills

MARCH 14, 2026

In Loving Memory of Norma Mills,

Our beloved mother, Norma Joyce Mills, was born in Toronto on December 30, 1937, to Geoffrey and Ethel, immigrants from England and Scotland. She passed away peacefully on March 14, 2026, in White Rock, BC, at the age of 88.

She is survived by her three children, Kevin, Glen, and Tara; her sisters, Joan, Carol, and Rene; and her five grandchildren, Weston, Ethan, Timothy, Trinity, and Toby. She will be deeply missed by all who knew and loved her.

She was a devoted mother and grandmother who raised her three children largely on her own, showing strength, resilience, and unwavering love. Later in life, she moved across the country to be closer to her growing family, embracing her role as a grandmother with joy and dedication. She was fondly known to her grandchildren as “Myna” (“My Nana”).

Norma’s passions in life included dancing – from line dancing to tap to musical theater, thrifting – spending many happy hours exploring her favorite shops, and her beloved cat, Tangi. They all brought her great joy. She will be remembered always for her love, her strength, and her quiet generosity.

— Kevin, Glen, and Tara

Messages of Condolence

My condolences to my cousins, Tara,Kevin and Glen. Aunt Norma was a special woman and I know she will be remembered greatly and fondly by many. I have wonderful memories of getting together for family dinners when we were growing up and lots of laughter! Aunt Norma was always so ‘quietly ‘ funny and had many humour stories to share. I admired her style and ‘spunk’.
