Dear Elouise & family;

We are so sorry to hear of Liam's passing. Our hearts go out to you, your children, and extended families. I spoke with one of my sisters, Dorsey, and she said that her and Darlene met Liam at the last Schlaht reunion and totally enjoyed his visit and said what a gentleman and a genuinely kind person he was. May your hearts not break and, in time, find the strength and love that surrounds you to carry on his legacy. Until we meet again... May the Sun shine into your hearts once again and bring a smile to your face of the warm memories of Liam you will cherish forever.
