I am very saddened by the loss of Maureen, a very dear friend and co-worker at Coop. She was such a kind and humerus person to be around at work or on a personal level. God will take care of her now. She will be deeply missed!

Our sincere condolences to you Tom, and your sisters, on the loss of Maureen. She was such a fun loving person with a quick wit. Each year my sisters and I did the Boxing Day sales, it always included a stop at Bowring and a visit with Maureen. Rest in peace.

— **Kathleen (Ell) and Brent Kezama**

I was very sad to hear the news of Maureens passing, she and I worked together for many years and shared lots of laughs through the sliding window that separated our offices at Auto Gallery. Her days always started with diet coke, no matter if it was 7am or 1pm and she was famous for bringing her cheese & macaroni casserole to our pot lucks. We lost touch for a few years, but more recently shared a quick visit and catch up each time I was in Bowring or the Coop. She was a good person, with a big heart and easy laugh and will be missed by all who knew her, but especially by her family. May you find peace in your memories ..

Tom, Mathew, Samantha and family. Our sincerest sympathies to you on the passing of your beloved sister and Aunt. I know she was not only a special sister and Aunt, but a treasured friend too. My condolences to the O'Connell family. So sorry for your loss. Much too soon for Maureen to leave us. I worked at Main Office Regina and got to know Maureen. She loved to laugh and found humor in most things. She also taught me how to play poker, needless to say I always had to pay up. This was back in the day when you could have office parties.

Keep your memories close at heart and it will help to get through this very difficult time for you.

Sincerely,

Helen Sinclairkggcf9
