Messages of Condolence

Oggi was a good man. I enjoyed working with him and was shocked with the news!
I'll miss his friendliness and sincere and good heart.

He was my friend.

May he rest in peace and be rewarded from all the events that he endured while in
the Force.....

I worked with Neil at the Vancouver Airport Detachment & in Richmond
Detachment. What I remember is he always had a smile on his face! He always had
time to stop & chat & he always had time to listen to others.

He will always hold a special place in my heart as being a warm & caring person.
Neil's passing is a huge loss to so many people & my warmest thoughts are with
you all.

Rest in peace, Neil.

I met Neil when he worked in Richmond. His smile and laugh were contagious. A warm person I will never forget. Neil you cracked me up to tears every time we sat down for coffee and it seems like yesterday we were at Tim's. I dearly miss you.
