DECEMBER 4, 2017

"Life has its ups and downs but sometimes you have to laugh until your cheeks hurt and be thankful for what you have."

## Messages of Condolence

Dear Ladey Okey

I'm severely shocked to hear of this news.

-it can't be but it is

-it was your birthday only a couple of months in the past

-your Spirit is cherished today, yesterday and decades away

-Ladey Okey, you are one of only one and it is for certain, that everyone whom you touched, will never again be the same

-your amazing sense of happiness will be engraved in our minds

-for without your timelessness, the world would never be so sublime

I know you were going through some struggles here and there. Emotions are hard to navigate. No one faults you. I always knew you had strength. Sometimes the strength is also fallible just like human kind. The world has lost one the best people. I know you can see this wherever you are. You make us all strong Okey!?! Okey. For anyone reading this, just keep remembering positively. Always remember the good, the good that we all remembered even if it was from when we were very young. It's there. Let it flourish anew. You are all loved.

I can only wish to have been able to say, how lovely you always are, one more time,  
Ladey Okey

I will NEVER forget you sweet one! We were friends and thank you for that. I LOVE you oh so very much. I will ask WHY forever and ever. Until I see you again sweet Okey. For all whom loved her, keep on loving.

What's interesting is that I met you, years and years ago, on one of the two SeaBuses that was just dismantled (Jan 3, 2018), after 40 years of service. It was likely the one I met you on. It was built in 1977 and that I "know" that those lucky numbers are of the happy devoted-to-goodness path you are on.

You amazing soul is unmatched. You are Blessed. You will always be Ladey Okey. I will visit you here, I will visit you on SeaBuses and I will visit you in places of solitude. You will be my strength. I will see you again soon. I will never ever forget the lovely Shannon. You will always inspire me when I am not feeling well. I will always think of pink icy things.

I thank you so very much for being YOU.

Really missing you babe.. You're the person I would turn to when I'm feeling down and you could always cheer me up. I'm not sure how I'm supposed to deal with this on my own. I wish I could see you again. You gave me the happiest years of my life and I will always cherish our time together. You are still my whole world. Rest in peace baby.. I will love you always and if there is an afterlife then I will see you again soon.
