## Messages of Condolence

I'll miss my cousin very much. We were friends as well as relatives. I'll miss her boundless energy. We were both book lovers and spent many hours over the years browsing book stores together, going to movies and just spending time together. She was a loyal person and someone you could depend on.

R.I.P. Shirley.

— **Jill McCormack**

Dear Carol/Ed, Donna/Norm and Shirley's children:

We are so sad for your loss. We are thinking about you all. Remember only the good times.

Fondly,

Bernie and Mary

Dear Donna and Carol:

I was so sorry to hear that your sister Shirley had passed away. Please accept my sincere sympathies. I was talking with Mary and remembering the many fun times I had with Shirley. She was such a joy in her younger days, happy, full of fun, and always with positive things to say when any of us were feeling down. She was with me on several of my "down days."

I understand the last years were not easy for her and I know it must have been hard for you to watch.

God Bless both of you and keep you in His care,

Nan

P.S. Please give my sympathies to her children.

— **Nan Rice**

Dear Family: I am so sorry we have lost Shirley. I always appreciated her love and concern for my parents, her (and your's) Uncle Gordon and Aunt Donna. She visited them regularly in their last years, through their many hospitalization and illnesses, showing amazing loyalty and kindness. She had a strong love for all her family and that will be truly missed by all of us.

— **Tracy McCormack-McCullough**
