I had the great opportunity to see Roberta, in action cooking for Trossachs camp. She was such a blessing to us there, I will totally miss her smile, kind heart, and her Baked oatmeal. My prayers go out to all her family and friends.

Roberta always embraced life and those around her with exuberance and warmth. She encouraged me when I was facing life's greatest storms. We baked buns and cinnamon buns all one day together and it was a day I will always remember. It was hard work to say the least but she lived her life blessing others. Her testimony will live on for sure and when she comes to mind I will always smile. A miss for us but a blessing for those she has joined. RIP Roberta or maybe light up heaven and have a blast.

— Cheryl Quick

Roberta’s friendship and love to us will never be forgotten. She welcomed us with open arms, as immigrants from Northern Ireland in 2008, to Indian Head. She was a shining example of how we should all live, but very few of us could fill her shoes. Her sense of humour and her ministry through food, was legendary. Our deepest condolences to all Roberta’s family circle and we pray you can rest in the knowledge that we will meet her again “In the sweet by and by”. Love from Richard and Alison.
