Messages of Condolence

Patsy was a my friend . I always liked her sense of humour and knew her as a hard worker from sun up to sun down. She loved her horses and her farm as well as her family . She gave me riding lessons and I kept my horse for many years at her farm. Patsy allowed me to come to the farm and enjoy the outdoors and solitude . I cherished this so much and appreciated her allowing me and my friends to come to the farm.

Pearl I am so sorry for your loss. I will remember the times Patsy made me laugh while throwing bales with her..... and the great food Pearl prepared when we stayed for supper. True pioneers ranchers and Albertans. Thanks so much my friend . Rest and be at peace Patsy.

Quite a few years ago when I had a little flower shop in Cochrane, Patsy used to come in once in a while. Over the years I got to know Patsy but years go by without seeing her. I was so sorry to read of her passing as I always admired her. She was a very sweet gal. So very sorry for your loss.

Sincerely

Norma MacFarlane

I have fond memories of my visits to the farm to stay with Patsy and Pearl.

Learning to ride, the hours spent riding the hills and coulees, Tuffy... 'Mr. Wild and Free!' The warm house in the evenings, the delicious food and the sleepovers.

Thank you for your generosity and warmth, Patsy and Pearl. Pearl, please know that you both taught me much. My thoughts are with you and I am so very sorry for your loss.

Dear Pearl,

My Mom and I met you and Patsy only this year at the Stonecroft Ministries Event in February, it was so much fun and such a pleasure to have spent that time with you gals. We were shocked and saddened to hear of Patsy's passing, she truly was a bright light for The Lord, and must be rejoicing in Heaven now, even as she is so missed here. You (and Your family) are in our Prayer's Pearl.

Sincerely Ruth & Anne-Marie Spiess
