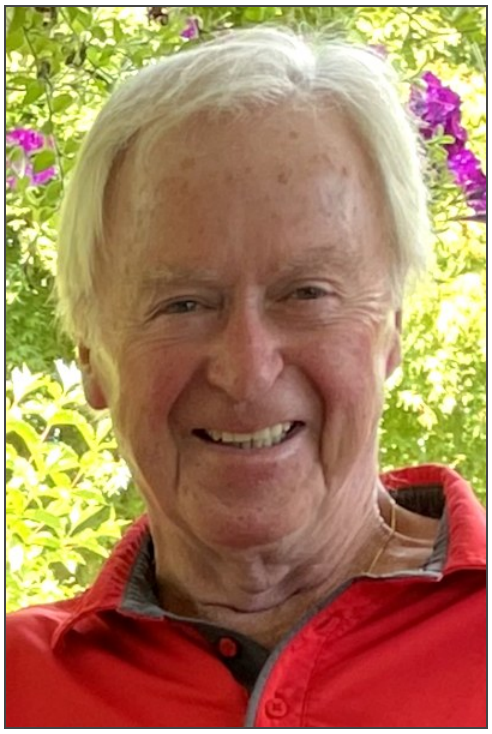
Malcolm Earle Parlee

AUGUST 16, 2022



With immense sadness, we share the passing of our cherished husband, father, grandfather, brother and friend, Mac (Malcolm) Parlee. Just a few weeks after enjoying his 80th birthday festivities with family and friends and a few days away from celebrating 56 years of marriage to his beloved wife Mary, Mac passed away suddenly and peacefully at Langley Memorial Hospital on August 16th after a courageous cancer battle. Mac is deeply missed by his loving wife, his two children and their spouses, his four grandchildren, plus countless family members and friends.

Mac was born in Kings County, NB and lived and travelled all over Canada through his expansive career in the fireplace industry. Knowing that he and Mary wanted to retire in BC, he took a senior position with a Langley company prior to retiring in 2008. Mac filled his retirement with plenty of golf, cheering on the Pittsburgh Steelers and spending much quality time with family and friends.

Memorial donations can be made to the Pacific Open Heart Association.

A Celebration of Life will be held at a later date.

Always in Our Hearts!

I am truly sorry to hear this news. I knew Malcolm in New Brunswick and of course the Parlee Family. Malcolm was always smiling. I haven’t seen him for many years, but I will always remember what a truly gentle man he was. Kind and generous.. and of course that smile. Please accept my deepest sympathies to you and all family.. I am truly sorry to hear this very sad news. You all are in my heart and prayers. Lilly

My condolences to Malcolm's family. Special thoughts are with his sisters, Donna and Sandra of Saint John, NB.
Our families were great friends (and relatives) for many, many years. Have fond memories of visiting the Parlee farm where Malcolm's parents, Don and Mary, were always gracious hosts! All Mac's family , both in BC and NB, will miss him very much. Sorry for your loss. "Cousin" Rosina
