I had the great pleasure of working with Victor at Sears Logistics in Calgary. Being his Team Leader we would have many conversations and I would always look to him for his words of wisdom and inspiration. I was truly blessed to have known such a good man as Victor, and the impact that he had on me.

My thoughts and prayers go to Lenore and family.

Dear Lenore and family: Please accept my sincerest condolences on Vic's recent passing. He was such a gentle and kind person to all who met him. He was also very thoughtful in bringing a rose to my home after my husband died 21 years ago. I have never forgotten his kindness. He will be sorely missed by all.

Dear Lenore and family. I was saddened to hear of Vic's passing. Although the funeral is long past I wanted to pass on my condolences to my former neighbours. I don't get news as quickly now that Leslie's gone. Please accept my deepest sympathy.
