Jean Madeline Phalen

AUGUST 21, 2019

Our family deeply regret to announce the passing of our mother, grandmother, sister and aunt; Jean Madeline (Dupuis) Phalen on Wednesday, August 21, 2019 at the Dulcina Hospice in Calgary, Alberta surrounded by loved ones after a courageous battle with cancer over the past year. Jean was born March 17, 1952 in Old Aberdeen Hospital N.G. and came to live in Airdrie, Alberta to be close to her children: daughters, Melissa Phalen, Kim (Drew) Diamond and their children, Declan and Monroe; her son, Freddie of Ft. McMurray, Alberta, and his son, Vaughn. She is also lovingly remembered by her father, Andy Dupuis Stellarton; brothers, Louie (Nancy) Dupuis Trenton, and Andrew (Joyce) Dupuis Trenton, as well as many nieces and nephews. She was predeceased by her mother, Marj (Kehoe) Dupuis. Jeannie got her most enjoyment watching her family and friends enjoy her amazing cooking and baking. She loved bird watching and could name their species. Wildlife took her breath away when she saw their beauty. Jeannie worked at the Cozy Corner in New Glasgow, Nova Scotia where she conversed with many friends. She took a break to raise her children with tremendous love. She returned to work most recently at the Superstore Bakery in New Glasgow, Nova Scotia and Sobeys in Airdrie, Alberta. Jeannie will be greatly missed by all who truly loved her for the kind, soft hearted person she was. Jeannies cremated remains will return to Nova Scotia at a date to be announced later.

I am sorry to hear of Jeannie’s passing. I had worked with her in the Bakery before she moved to be closer to you, her Children. I enjoyed every second working with Jeanne, we had great laughs and also cries at sad times in our lives. She was a part of a very special group of people in the bakery. We all loved her so much, and we will miss her trips home and the meals we all enjoyed together. My heart aches for all of her Family, you are losing a wonderful woman, she is now a Guardian Angel watching over you all. □ □

My dear friend, today would have been your 68th birthday. I wish I was sending you a birthday card as I had for many years. Some how I'm hoping by sending this message may ease the sadness of wishing we could chat. Regardless I will cherish all the chats we did have. Love Anne
