Messages of Condolence

So sorry to hear of Anne's passing. Although we never saw each other a lot, when we did we had lots of fun and a few laughs. Will miss Anne at the centre.

— **Chris**

my condolences to the family & her precious pets.

— **Faye Thompson**

In all the time Anne was a part of our team I can't remember a day where she didn't have a smile or a nice thing to say. She was a kind soul; what a tragedy to lose her. Love and kindness to her special sister Linda and the rest of her family. She is greatly missed and thought of often.

— **Alice**
