I am sorry to hear that Mr. Phillips has passed on. I had the honor of caring for him at the hospital so many years ago. I have many fond memories of both him and Blitz. We shared many laughs together. I was even invited for dinner years later when I was passing through Alberta. I again had the chance to see him again about 5 years ago when visiting a cousin in Didsbury. I called him occasionally and was always happy to hear his voice. He was a special gentle man. May he Rest In Peace.
