Avis and Walter were our neighbors for a number of years, I still describe them as the best neighbors I had in my 65 years living in Regina. Avis will always be remembered in a positive way by all those that new her. My sympathy goes out to the family and friends of Avis she was a true treasure.

I am so sorry to hear of Avis' passing. Avis and I worked together for many years. We shared many a laugh, making the night shift go by much faster. She will be missed by all. My deepest sympathy goes to her whole family.

Our sympathy to all the family

One of my memories of Avis goes back to when I started school at a country school. I was staying with my grandmother who lived in the same yard as Avis's family. Since Avis was already going to school, she was responsible to see that I got there and back safely. Even though I had a habit of walking faster than her we had to arrive home at the same time.
