I will always remember Ray being a calm and cool guy whether he was at the rink watching from the corner, serving the public (with his smile) in all of his ventures, or while raising his wonderful family. He was a great man and will be missed! Our condolences to the entire Piche family.

We knew Ray from a long time ago when he owned Cousins motel in Rockglen, however it wasn't until years later when Ray came and worked for us at the meat shop. What can I say that will possibly ease this pain. We loved Ray very much and are going to miss him dearly. He was an absolute light in our day that we never realized till now. He talked about Louise often and I felt like I knew her just because of this. To all the kids, your dad talked of you and your families often as well he was very proud of his family. We will miss him greatly and are happy we got to know him so well. Our deepest condolences to Louise and the rest of the family.

So sorry to hear of Ray's passing Louise. He was a good man, father and friend and it was always evident how he loved you. We sure had some great visits and my days always got better after seeing you guys. I guess he was needed above, it's hard to understand.

To Louise and family. I was very saddened to hear of Ray's passing. I look back fondly to the many years I delivered meat to the few places Ray worked and then stopping in for a burger on my way through at the restaurant. I have nothing but good memories of talking and joking with Ray. Please accept my heart felt condolences. Take care.
