How saddened I am to hear of Thelma's death and I send my sincere sympathy. As Manager of the Palliative Care Volunteer Program I would see Thelma everyday on 3A Pasqua. We shared a lot of laughs, sorrows, and a friendship that lasted after she retired. Though we did not see each other very often, we would talk on the phone. Unfortunately, her retirement was not what it should have been due to her health issues but she persevered. I think of her often and know she is very much missed. With my Deepest sympathy, Bev Schultz, retired, Mgr. P C Volunteer program
