Dear Diamond

So sad to hear about the loss of your Mum it was a shock to all of us, please reach out whenever you need as I will always be here for you. Your Mum was the first grandchild in the Howell family and everyone of us wanted to look after her, poor little thing we all had to take turns at holding her and play time. She had a challenging life but once you came along and grew up you changed all that and she will be eternally grateful. You gave her a life style she never would have had without you. We all miss her and our prayers go out to Alan and all of you. Stay strong my dear and just enjoy the memories. Love Auntie Ann

— **Ann Senko**

I'm so sorry for your loss, Diamond. It was so nice meeting your mom last year and watching her fawn over you and the girls! She loved you all so much. And what a blessing that you were able to make all those wonderful memories with her during her visit to Paris. I'm so glad you had that precious time together. There is no doubt that she will continue to watch, love, and beam with pride from above. We're thinking of you. Xxx

Thinking of you all and sending hugs as you prepare to be together in person after such a tragic combined loss and the heaviness of not being able to meet and say goodbye due to Covid. Alan - I hope you will be well and know that you will miss your dear wife. Cheryl, Bev, and Doug - I'm sorry for the sadness you must feel at the loss of your mum and your kind big sister. And Diamond, I know that mums are irreplaceable and that now, as a mum yourself, you must feel very adrift sometimes. Know that your mum and grandma are forever in your heart and eternal in memory. Sending love.
