Messages of Condolence

Dearest Auntie Terry, Bev, Sandy, Wendy and family:

Sending you are deepest sympathy for the passing of my all time favourite Uncle Gerry. Right from the beginning of time I so looked forward to the visits with my favourite aunt and uncle. You were so loving, strong and said what you were thinking and feeling but never in a cruel way..Terry you are my roll model for what a woman should and can be. Classy but also sassy. Gerry lite up a room with his shy handsome charming presence and flushing dimples. Such a loving couple. Some of the most memorable pleasant moments in my life include you and Jerry. I am forever grateful for that. No one who has ever touched a heart can really pass away, because memories remain and love lives on. Love Always
