Messages of Condolence

Miss you already Liz. We had wonderful times together.

I still can't believe you are gone.

Rest in Peace my dear friend!

— **Lisa Meyer**

Even though I had only met Liz the one time, her smile and kindness was a great pleasure. With working with Molly, you can see the kindness and gentle spirit she has passed down to her. I send my deepest sympathy to you all and may the love and spirit be surrounded by you all with family and friends through this trying time!

Hugs....Tammy
