Forrest F. (Woody) Plume

September 21, 1939 - July 9, 2019

It is with sadness we announce the passing of Forrest F. (Woody) Plume at the age of 79 years after a long struggle with Alzheimer's. He will be lovingly remembered by his wife, Marilyn; son, Brent Plume (Kourtnee); daughter, Michelle Marshall (Ryan) and granddaughter, Meah Plume (the apple of his eye); brother, Wayne Plume (Fredericton, NB), and many nieces and nephews. Woody served his country for 12 years with the Canadian Air Force after which he was employed with Telus for 30 years. Woody was an avid sports person; fishing was his favourite sport. As per Woody's request, there will be no Funeral or Memorial Service. The family would like to express our sincere thanks to the doctors, nurses, relatives and friends that supported us through this long ordeal. Anyone wishing to donate in his memory can do so to a charity of their choice or the Alzheimer's Society of Alberta, 800, 7015 Macleod Trail SW, Calgary, AB T2H 2K6.

Dear Marilyn and family,

So sorry to hear of the passing of Woody. I (Rita) worked with Woody in the old days of Mobile Communications and then later when we moved to the northeast. I was the assistant ot Gerry Frederick and then later for our president Harry Truderung. Woody was always a bright spot in anyone's day, always smiling and very professional, He will be missed. Since Woody's neice Jill is my wife, I had the good fortune; and pleasure; of spending some time with him, and his wife Marilyn.

The world could use more people like Woody.

His absence will be felt, but he can't be forgotten.

— **Dan Woodley**

Thank you Woody for being so kind and friendly when I first entered the business. I always deeply appreciated how easy you were to get along with and how you were always there to guide me in the right direction. I always enjoyed our meetings together and I always enjoyed your enthusiasm for life.

I will miss you very much.

Toby.
