Dear Nancy and family,

Jean and I were very sorry to hear of Ken's passing. It is some time since we were in contact through both working at Gulf but I did appreciate Ken's friendship and enjoy his intellectual ability.

Our sympathies

Unfortunate news to hear of Ken's passing. I worked with Ken for 1-2 seasons as train conductors at Heritage Park. He used to call me "Squire". We both were model railroaders. I appreciated his friendship. Rest in peace my friend
