— **Bruce Hirtle**

My deepest condolences to Milvi, Lisa, Kati and all of the family.

I remember Jaak's exuberance and joie de vivre from his days in Toronto.

The wedding reception he had planned so carefully was almost undone by all of his Esto drinking buddies who put such an early dent into the stockpiles that only a hasty run to EUS managed to salvage what turned out to be an exceptional party. His quick thinking served us all well and feeling a little blurry and bleary eyed. I confess to feeling that now, and raise a glass to his memory.

Prosit Jaak.

You were one of a kind.
