## Messages of Condolence

So many memories of Uncle Arnie and time with my Auntie Tillie and cousins Karen and Ricky. Uncle Arnie was my go to when Karen, Ricky and I wanted a sleep over. He ALWAYS convinced my mom and dad to let me stay. I always loved my time at Uncle Arnie's house. So sad to hear of his passing. Lifting all the family in prayer. Sending love and hugs! Trina

On behalf of all of us Radons here in B.C. please know that although we did not have the pleasure of knowing him well, as your family moved back to Sask so very many years ago, we older (Bill and Ester Radons) kids, especially us older especially remember how great it was to spend time with you cousins then.

Sending Caring hugs and love to all of you.
