Messages of Condolence

In the short time I knew Ralph, it was obvious to me from our first meeting that he was an honest, knowledgeable, kind and generous man. Outgoing and funny we always looked forward to our get togethers with him. He was a voice of reason in a chaotic world. Gone way too soon, he will be missed by us and all that knew him.

Ralph was always a special friend going back to the day we started grade one together in the old public school in Lafleche. Ralph will be remembered for his sense of humor , his ability to fix just about anything (extremely gifted mechanic) ,dedication to his family, and when he finally took time to relax a bit.....Happy Hour and Golf!!! Condolences to all of the Seebach family.... a great guy will be dearly missed, MT
