## Messages of Condolence

I was saddened to hear about Peter's passing. I had the wonderful privilege of working with Peter at Mobil Oil Canada in the eighties. He was a great mentor and made a marked difference in my career. He was a consummate professional, had a great sense of humour and always had time to listen and encourage. I will always remember Peter with great fondness.

I wish to send my thoughts and prayers to Peter and his family and especially Henny at this difficult time.

We were very sad to see Peter's obituary this past week. I knew Peter from working at Mobil Oil but got to know him better after he and Henny married. We visited them several times in Armstrong and at their new residence in Calgary and always enjoyed the visit. Peter was a fine gentleman. I will continue to visit Henny periodically. I know she and the family will miss him greatly.
