Randy Brian Wiese

March 17, 1954- July 17, 2025

We celebrate the life of Randy Brian Wiese who was born in Vancouver BC and raised in Richmond BC.

He passed away at the age of 71 after a year long battle with Pulmonary Fibrosis which led to a cardiac arrest. Always a fighter, he had survived a stroke 19 years previously but through his indomitable spirit came back to live and love us for all of his years after.

In his career he was a heavy-duty mechanic and steel fabricator. He was well known as the guy who could fix almost anything you put in front of him. He was proud to have worked on many large and famous structural steel projects around the world that will be around for decades to come.

He is survived by his loving wife Judy, his children Shawn, (Samantha) and Christine, (Steve), his grandchildren Chloe, Jaimee and Ethan, Judy’s sister Terry,

his brothers Ken and Norm and all of his nieces’ nephews and friends. His trademark sarcasm and quick wit will be missed by his family and friends who knew and loved him. He has left us with many great memories and stories to fill the void in our hearts. A legend to family, friends and all who knew him.

Rest in peace and know you were deeply loved.
