

# Garry Herbert Reichert

AUGUST 20, 2020

We are so profoundly sad to announce the passing of Garry Reichert on August 20, 2020.

Garry was predeceased by his father Herb. He is survived by his best friend and loving wife Maureen; his three beautiful daughters Sherri (Chip Nixon), Barb (Edwin de Caluwe) and Morgan (Dave Humble). Garry was so proud of his daughters and the women they have

become. He was also especially proud of his grandchildren Emnet and Yonas; both of whom brought him great joy. Also left to mourn are Garry's mother Hazel and sisters Judith Deatrich and Vicki (Garnet Watson).

Garry was a quiet and gentle man of few words who loved to travel, golf, garden and work with wood. He loved his work as part of the SaskTel family of employees.

At Garry's request there will be no funeral service. Those wishing to do so may make a donation to the charity of their choice in Garry's name.

I worked with Garry for many years at SaskTel and, as the obituary described him, he was a kind and gentle man, taken from his family way too young.

I'm so grateful I got to work with and get to know Garry. We worked together early on when I started at SaskTel and later when he hired me as his Administrator. He impacted my career and my life significantly. He gave me confidence and guidance and was always ready with a simple thank you for the things he appreciated. It meant so much to me. Garry started me off building a Christmas village. He gave me my first ceramic building. I didn't even know I wanted to build a village, but I did after he gave me the first one. He followed up with other buildings throughout the years we worked together and I've carried on. Every year when I put up the village I think about him. It will be so bittersweet this year. I miss him. My thoughts and prayers are with you.
